

SBCSC Electoral District Boundary Realignment

Board of School Trustees Meeting -
January 8, 2023

Annexation of Greene Township

- On December 5, 2022, the Board of School Trustees approved the annexation of Greene Township to John Glenn School Corporation.
- The annexation became effective January 1, 2024.
- Pursuant to the annexing resolution (and state law), the Board must adopt a plan determining the manner in which the governing body will be constituted in light of the revised school district boundaries.

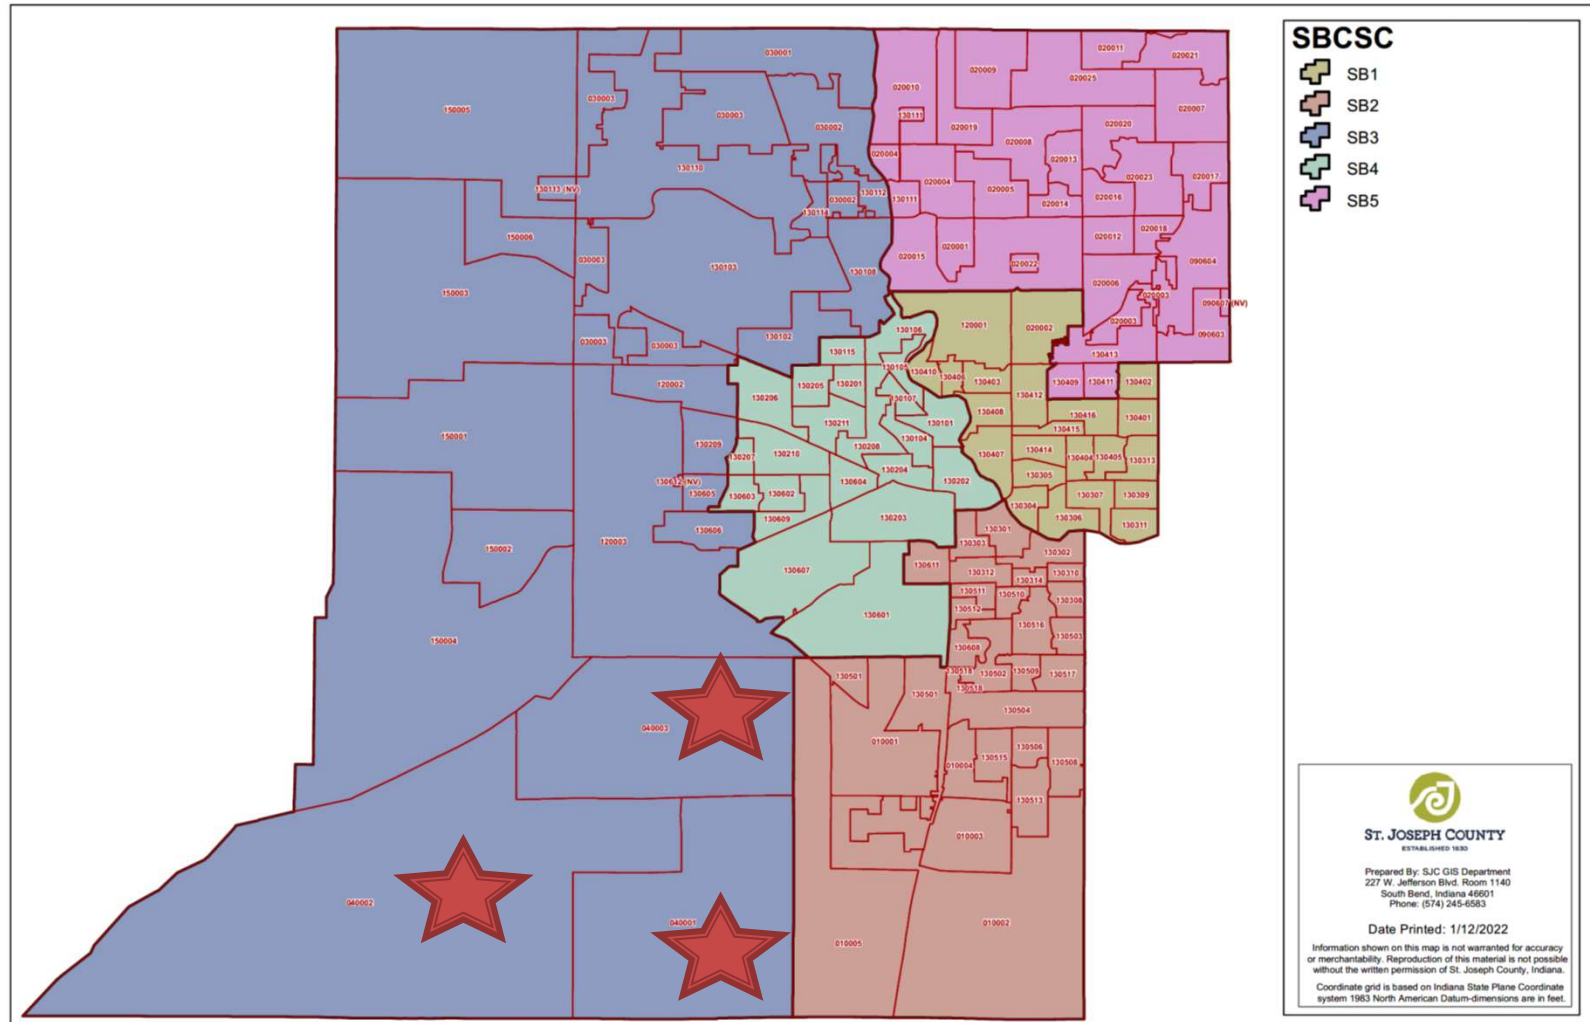

Electoral Districts in Indiana: “As Near as Practicable Equal in Population”

- Indiana Code 20-23-8-8 states that where governing body selection plans include electoral districts, the districts must be *as near as practicable equal in population*. It also states plans must comply with the US and Indiana constitutions.

SBCSC Requirements

- Indiana Code 20-23-15-7 establishes three requirements for electoral districts in South Bend:
 - They must be drawn based on precinct lines;
 - District lines must not cross precinct lines; and
 - Districts must be, as nearly as practicable, of equal population, with the population of the largest district not to exceed the population of the smallest district by more than five percent (5%).
